

In Donaldson class, we use a Key Worker system. Although we are a very close unit, where all staff members interact with all children through the day, a key worker approach means each member of staff has a group of children for whom they are particularly responsible.

Donaldson class staff

Mrs Eldridge is the class teacher and has overall responsibility for the all children in Donaldson class (Nursery and Reception).

Key Workers for Nursery children are:

- Mrs Cashman
- Mrs Moorman
- Mrs Fearn

Your child's Key Worker can help you and your child by:

- ✓ Helping your child settle in when he/she first arrives at our setting.
- ✓ Making sure that any questions you have are answered.
- ✓ Observing your child's play and providing suitable resources and activities
- ✓ Keeping up-to-date records about your child's learning (although other members of staff will also contribute to this).
- ✓ Sharing learning journeys and information about your child's progress with you at regular parent meetings.
